ASSEMBLY BILL

No. 635

Introduced by Assembly Member Bates

An act to amend Section 301 of the Streets and Highways Code, relating to highways.

LEGISLATIVE COUNSEL'S DIGEST

AB 635, as amended, Bates. Highways: relinquishment: State Highway Route 1.

Existing law requires the California Transportation Commission to relinquish to any city or county any portion of any state highway within the city or county that has been deleted from the state highway system by legislative enactment. These relinquishments become effective upon the first day of the next calendar or fiscal year, whichever first occurs after the effective date of the legislative enactment.

This bill would authorize the commission to relinquish to the City of Dana Point ~~the~~ *a specified* portion of State Highway Route 1 that is located within the city limits of that city upon terms and conditions the commission finds to be in the best interests of the state, if the commission and the city enter into an agreement providing for that relinquishment. The relinquishment would become effective immediately following the commission's approval of the terms and conditions of the relinquishment.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
